

REPORT ON THE INTERNATIONALIZATION OF HIGHER AND TERTIARY EDUCATION IN ZIMBABWE FRAMEWORK DEVELOPMENT TASKFORCE MEETING

Chinhoyi University of Technology
Hotel

Tuesday 10 September 2019

Introduction

Registrars from all universities in Zimbabwe (both public and private) held a meeting at Chinhoyi University of Technology Hotel under the auspices of the Internationalization of Higher and Tertiary Education (IHTE) Framework Development Taskforce chaired by the Registrar of Chinhoyi University of Technology, Dr T. B. Bhebhe.

Dr E. C. Garwe, the Deputy CEO and Mr L. C. K. Gwati, Director for Audits, both from ZIMCHE also attended the meeting.

Out of the twenty-three registrars that were invited, only three, from Gwanda State University, Zimbabwe National Defence University and Arrupe Jesuit University sent apologies.

The meeting started with self-introductions by all present followed by welcome remarks from the Chairman of the Taskforce, Dr Bhebhe.

Purpose of the Meeting

After the welcome remarks by Dr Bhebhe, Dr Garwe explained the purpose of the meeting, which was to continue with the development of the framework for internationalization of higher and tertiary in Zimbabwe.

Update on IHTE in Zimbabwe Framework Development

Dr Garwe also provided the update on the IHTE in Zimbabwe Framework Development. She started by explaining how the process had started and the relationship and collaboration with the University of Nottingham. The taskforce was requested to expedite the process because the Ministry of Higher and Tertiary Education, Science and Technology Development was anxiously waiting for the framework. Attendees to the meeting were told that the Ministry had included the IHTE in Zimbabwe in its strategic plan.

Business of the Day

After the update the Chairman of the Taskforce indicated that the meeting was meant to beef up the skeletal document they had produced taking note of suggestions made by a consultant. The consultant's document which is attached was made available to all registrars. Other documents made available included frameworks from India and South Africa. The consultant had gone through the skeletal document and went on
